

# The Children's Village at Bridlewood

## June Board Report 2019

### FROM LEEVIE'S DESK

#### Where has the school year gone?

With the first day of summer behind us and the last week of school just ahead of us, I would like to say how proud I am of CVAB.

These past 6 years have been a wild adventure, full of learning opportunities for both staff and children. We have grown as a program and we have adjusted our appearance to meet the needs of our families and the ever so evolving childcare design. The memories I have made, will be cherished forever. I am thrilled at the opportunity to stay within the agency and simply grow furthermore professionally.

As we head into the summer months, the Children's Village at Bridlewood is set for its September expansion and is already at full capacity in our kinder program.

With that said, we only have (4) spots remaining in our school age program to fill and CVAB's new Program Supervisor has also had the opportunity to step her foot in the door this past month. Therefore, it looks to be a smooth sail into both the summer program and the 2019-2020 school year.

Until the fall, enjoy the sunshine.

### SCHOOL'S OUT FOR THE SUMMER

Team CVAB would like to wish all board members a safe and fun filled summer.

We look forward to providing you all with a summer recap in the Fall! In the meantime, we will be venturing on the following field trips:

- Proulx Farm & Saunders Farm
- Science & Tech Museum
- Brewer Park & Mooney's Bay
